

PHCC-NV - CONTRACTOR MEMBER BENEFITS

Early Warnings To Give You Time To Prepare. News whether it is good news or bad news, news on the regulatory front, or in manufactured housing, or at the Nevada State Contractors Board (NSCB), or at OSHA, or the EPA, the news is often heard first at a PHCC NEVADA meeting or in a PHCC email alert. News that can affect the way you do business. A sampling of our early warnings included:

- Attempts to weaken Lien Laws at 2009 Nevada Legislature
- Attempts to cut out the NSCB as a source to get paid in contractors disputes (Spring 2009)
- Attempts to weaken construction defect laws against subcontractors at 2009 Nevada Legislature

Exposure to Nevada's Most Successful Plumbers. Business owners prefer to do business with people they have confidence in. Every contact you make at a PHCC NEVADA function is a potential asset to your business. Your continued success may not only depend on "What" you know, but also "Who" you know.

Information is Power. Receive advanced notice on what affects your industry, your company, and your profitability. You'll hear it first with our members' only updates, at our monthly meetings and websites. We work to bring you the most current and accurate information on developing industry issues.

You Are The Industry. What affects residential development in southern Nevada affects you. Each year we tackle issues threatening the continued success of the plumbing industry. Active membership in PHCC NEVADA is a re-investment in our collective future.

Strength in Numbers. Have you discovered regulatory obstacles and bureaucratic barriers to your success? By joining PHCC NEVADA you become an important part of the largest and most respected voice for residential and small commercial plumbing sales in the State of Nevada. Put our legislative and governmental influence to work for you.

Extend Your Influence. By joining PHCC NEVADA you become a member of a powerful advocate for the plumbing service and new construction in the city, county and state.
